Introductions of everyone in the room occurred.

Interview with Dr. Albert. He discussed his interest in the process and committee. An explanation of the committee and scope was given. Committee members asked him questions. He stated that he would work on any sub-committee but has an interest in the Administrative side.

Minutes from May 5, 2008 meeting were approved.

The committee broke into the City Council and Mayoral representatives in order to discuss which candidates they would like to see appointed to the committee. The nominees will be Dr. Albert and Mr. Mike Dalessi for the mayor and Ms. Sherrie Bryant and Mr. David Bray for the City Council. These names will be given to the Mayor and then brought to the City Council at the next meeting.

Mr. Dalessi will be on the Boards and Commissions sub-committee. Mr. Bray and Ms. Bryant will be on the Legislative sub-committee and Dr. Albert will be on the Administrative sub-committee.

We will meet as a large group next meeting. It was suggested that we break into sub-committees during the second half of that meeting. It was also suggested that we use at least one regular meeting time each month to meet at the sub-committee level.
