Interview with Mr. George Craig. He introduced himself and the committee members asked various questions. If chosen, he is most interested in working on the sub-committee that deals with the City Council.

Chairman French asked that each sub-committee work on identifying the issues that they would like to see brought before the larger group. Please bring these to the next meeting.

There is a need to confirm the citizen participants. Dorothy Webster will take the two names nominated by Dorothy, Ted, and Leroy to the Mayor for her input. Then, if the Mayor is in agreement, all four names will go to City Council on June 9, 2008.

A Public Hearing to gather information from the public is scheduled for June 24, 2008 at 6:30. This will be televised and will provide the public a chance to bring issues that they have found in the Charter to the committee.
